

IT IS TIME TO DEAL WITH THE SPIRIT OF COVID 19

INTRO: In March of 2019 Corona Virus was became a pandemic in the United States and around the world, thanks to China! Everyone talks about this being a pandemic but it is more of a planned-demic. This was sent to the United States in preparation for the 2020 elections. While I believe it was intended for the United States, the world has been victimized by it as well.

At some point the authorities quit calling it Corona Virus and started calling it Covid 19. Here is a fact: for everyone that does not believe the virus is real, I can tell you as a survivor of it, it is the real deal. (Give my experience)

Having lived through the last nine months of this craziness and survived the virus, I have come to believe that this is not just a disease, but that there is a spirit that is behind it. (I am

not a guy that looks for demons behind every curtain)

I have come to believe that the dominant spirit behind this disease is a *Jezebel Spirit*.

In order to understand the spirit of Jezebel, we must first understand the Bible personality for which this spirit is named. In Scripture, we are introduced to Jezebel as the rebellious, manipulative, wife of King Ahab.

The spirit of Jezebel corrupted an entire nation, and challenged everything Israel had stood on for their entire history. Covid 19 has:

- Affected the entire nation...
- Shut down a roaring economy...
- Crippled the educational system...
- Manipulated the religious system...
- Greatly infringed upon the rights of human beings across the globe...

The spirit of Jezebel is a principality that has been around since the time of Ahab and Jezebel but has raised its ugly head in these contemporary times, in a way that is more pronounced than at any other time in history.

This spirit has not just affected the governmental system, the economic system, and the educational system, but has made full circle into the modern church today.

Jezebel literally means “*Without co-habitation*” or better said she refuses to “*Live together*” or “*Co-habitate*”. Jezebel will not dwell with anyone unless she can control and dominate the relationship. When she seems submissive or servant-like it’s only for the sake of gaining some strategic advantage. The spirit of Jezebel:

- Manipulates its way into power...
- Takes control of everything it touches...
- Cannot stand to be challenged...
- Becomes violent if not obeyed...

- Uses unsuspecting people to do its bidding...
- Surrounds itself with eunuchs... (People who can't think for themselves – Have no power to reproduce)
- Overrides territorial authorities for the purpose of setting its agenda...
- Looks for an influential individual that it can operate through...

Although Jezebel is referred to as a she, this spirit is without gender. The spirit of Jezebel will operate through a male as well as a female.

The ultimate purpose of the spirit of Jezebel is to dominate, because control is what she seeks.

Anytime this spirit becomes active, it is attempting to create an environment that brings a personality or a group of personalities to power. This effort is made so that it can operate through leadership that is set up for that purpose. A Jezebel spirit is not going to

suddenly take on a human body and be the leader! It attempts to create an environment that allows a person or group to come to power, that will accomplish the agenda of the principality. (My first three years at CT I laid on the top row of the choir loft every morning and prayed against a Jezebel Spirit – I fasted 3 days, 7 days, 10 days, 21days in an attempt to conquer that spirit - Dream of a snake)

This virus was sent to the United States to dominate our economy and control the outcome of a major U.S. election. It sought out personalities that would work its agenda, and found people in the scientific community and political arena that were more than willing to step to the forefront and demand conformity. (Masks – Shutdowns – Fines – Arrests – Bankruptcies – All the while the worlds population has submitted to the agenda behind the spirit of Jezebel)

There are many characteristics of a Jezebel Spirit but I want to talk about six of them that are apropos to this situation:

MANIPULATION

In the Old Testament story of Ahab and Jezebel, Jezebel wasn't the King, Ahab was. Yet, when you read the story more is said about Jezebel than Ahab. Jezebel set the agenda from behind the scenes then pushed Ahab onto the stage to implement her agenda.

As bad as Covid 19 is, there are many things that are far worse. Yet, they do not get the attention of politicians, the media, or scientific community like this virus has.

2020 statistics for Covid 19 in the United States: 250,000 deaths – There is a 2.2% mortality rate 1,806,590 people will be diagnosed with cancer in the United States.

INTIMIDATION

DOMINATION

Jezebel hates the prophets and anyone who worships anything but the ground she walks on.

She hates repentance, prayer, humility, and the work of grace

ILLIGITIMATE

CONTROL

REFUSES TO BE UNDER MALE CONTROL

Manipulation

Intimidation

Domination

Illegitimate Rule

Hungers for Control

Inability to co-habitat

Resents Strong Male Leadership

Controls her Environment

Comes from a dysfunctional family (sexually unclean, mental illness, abuse)

Makes those who challenge her inferior

Defensive/ Reacts with hostility

Must know everything going on in the church

Uses God as a means to not submitting to authority “the Lord told me”

She hates repentance, prayer, humility, and the work of grace

Jezebel operates with spirits that are already operating in an area... ie seattle, Portland etc..
She tightens the noose...

She seeks to build strongholds in people, groups, territories etc... Reasonable thinking evaporates... You can't think clear...

Jezebel seeks to kill the network and seeks to separate the network from the host... Elijah fell

under the spell of Jezebel and God took him home... It took Jehu and Elisha to do what was assigned to Elijah...

Revelation 2:25 Thyratira I have somewhat against you... You suffered Jezebel... I will cast her into a bed and those who commit fornication with her into great tribulation... She calls herself a prophetess... Spiritual fornication...

In the last day's there will be a WOMAN who operates in the spirit of Jezebel... Those who partake in the seduction of this woman will suffer the consequences of such decision...

Those who remain will eventually have power over the nations...

If we can't pray in a crisis, when are we going to pray?

Jezebel will soil everything we hold dear:
Morals...

History...

Rights...

- 1) Overwhelmed by almost everything...
Can't stand anymore stress...
- 2) Simple tasks seem impossible... Dread
opening the mail... Can't watch the
news... Can't get to church...
- 3) A spirit of helplessness and
hopelessness... You feel that God is not
going to help you... You forget what He
has done in the past... You feel He won't
help you in the future... Prayer fatigue...
- 4) Feelings of ineffectiveness... Ineffective
as a pastor, staff member, father, mother,
teacher etc...
- 5) Feelings of fatigue... Stay in bed... Don't
want to be bothered... Reliable people
have been reduced to whimps (Elijah
killed the prophets of Baal and succumbed
to the spirit of Jezebel to the point he was
unrecognizeable... Requested to die...

6) Strong feelings of hopelessness... Your life is laughable... Lack of motivation...
