

OVER IT

INTRO: Property ownership is a bedrock right in America. If we own property, we have the right to say what will and will not be done on that property. Eminent domain, permitting, zoning, and governmental interference, have all but eroded this right. The reason this has occurred is because we as Americans have not stood our ground and demanded our rights. Most of this has been allowed at the ballot box.

No matter how much property one owns, if it is not posted against trespassers, it is fair game for anyone to enter and exit at their will. Once a property owner has posted the property, the landowner has the right to take legal action against all trespassers.

We can say we are “*Over It*” as many times as we want to, but until we have taken action

to post the property, we have very little legal authority to resist trespassers. (Go to Lowes, get a ladder, and get over it)

Most of us think, when we came to Christ, it was a be all to end all decision. The truth is, the choice to follow Jesus is not the end, it is a new beginning.

However, it doesn't take long to see that many Christians who are sincere and have an intense desire to serve the Lord often find themselves defeated and cannot understand why.

This morning, I am going to point out three steps that each of us must take to get "*Over It!*"

I. THE POSTING OF THE PROPERTY

Please understand that I am very much aware that at conversion we are sealed with the Holy Spirit of promise.

Even though we have been sealed with the Holy Spirit of promise, there is a progressive work of sanctification that must be worked out. (Ask everyone to raise their hand that has not sinned since conversion)

There are two questions that I believe must be asked here: What areas of our lives have been left vulnerable? And how have they been left vulnerable? This happens in three ways:

- Intrusion... Many people discover that doors that have been left open to the enemy through the activities of others! (Those who have been abused, parents who engrain certain practices into their children, etc.)
- Legal ground... Often doors are left open through years of knowingly practicing certain sinful habits! (Alcohol, drugs, tobacco, horoscopes, etc.)

- Learned behaviors... When a person has been raised in an environment where certain doors have been opened, those individuals are often more vulnerable to certain habits and vices. (Even the medical community is aware of this – When you go to a new doctor, they ask you to fill out a family history form)

When Holy Spirit is active in the life of the believer, He convicts us of sin and sends us back to the cross to be sanctified day by day.

As a result, we must post and reposted our lives, day by day, if we in fact want to be “*Over It!*”

What are we to post our lives with? The blood of Jesus! 1 Peter 1:18-19 (NKJV)

“You were not redeemed with corruptible things, like silver or gold, from your aimless conduct received by tradition from your fathers, ¹⁹ but with the precious blood

of Christ, as of a lamb without blemish and without spot.” (Distribute prayer I pray over my family, and all people and ministries I oversee)

If we have posted our lives with the blood of Jesus, then everything about us is off limits to the trespasser. (Have a red cloth to drape over my shoulders)

If we live behind the bloodline, the enemy knows that we are off limits! It is only at this point that we have a legal right to prosecute the trespasser because the property has been posted. The posting of the property with the Blood of Jesus says to the enemy “*don’t go there because the owner means business!*” (Tim Bowden)

II. THE PROSECUTION OF THE PERPETRATOR

Before the perpetrator can be prosecuted, the owner of the property in question must

recognize the need for legal assistance and swear out a warrant for his arrest.

What is the law used against trespassers?
The Word of God! As a property owner, you have the right to prosecute the trespasser according to every Scripture contained in the Word. Job 22:28 (NKJV)
“You will also declare a thing, and it will be established for you; light will shine on your ways.”

Based on this Scripture, once we have caught the trespasser and have decided to prosecute him, the court will not pass sentence on him until we have declared our wishes concerning the penalty! (People who stole copper out of a new build - The power of life and death is in the tongue - Know the Book –Ignorance of the law – my people perish for lack of knowledge - Throw the book – Believe it – Speak it – Stand on it!)

The trespasser comes at us one way but when God arises to confront him, he flees before us seven ways! Deuteronomy 28:7 (NKJV) ***“The LORD will cause your enemies who rise against you to be defeated before your face; they shall come out against you one way and flee before you seven ways.”***

Here is what happens:

- Our enemy is His enemy!
- Our battle becomes His battle!
- His victory is our victory!

Trust me saints, when we start doing things through the Blood and by the Word, we are going to be *“Over It!”*

III. THE PAYMENT BY THE PERPETRATOR

Three things are essential for us to understand:

- What we have the right to do!

- What the perpetrator will be required to do!
- What God will do on our behalf!

What we have the right to do

It is not God's will for us to discover that the enemy has trespassed against us, and then strike a compromise that would allow us to settle for him vacating the premises!

Our victory over the enemy is to be so complete that every time he stirs up a conflict or declares war, when the dust settles, he will discover that he has lost ground instead of gaining ground! Daniel 11:32 (NKJV) “... *the people who know their God shall be strong, and carry out great exploits.*” The word “*exploits*” means “*an act remarkable for brilliance; daring or bold deed!*” For a child of God to do exploits means to finish the job in such a way that the enemy would not know what

hit him - and others would stand back and say Wow!!

(Blood of Jesus – The Word of God - And the power of the Holy Spirit – A triple whammy to help us to get “*Over it!*”)
(Insect repellant)

What the perpetrator will be required to do

Those who want to be “*Over It*” will start making the trespasser pay the ultimate price!

How much should we expect the perpetrator to return?

- The book of Job say’s double
- In 2 Samuel said four times the damage would be right
- Proverbs says seven-fold seems justified

For example: If he has stolen your children, don’t just believe for them to come back,

believe they will come back with 6 of their friends.

What God will do on our behalf?

Once we have posted our property, demanded the prosecution of the perpetrator, and notified the court of our desires about the payment assessed against the perpetrator, THEN we can expect God to get involved in a very substantial way.

I want to call your attention to an absolutely awesome Scripture, Romans 16:20 (NKJV)

“And the God of peace will crush Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen.”

The word “*bruise*” as it is used here comes from the Greek word “*suntribo*” (soon-tree-bo), which is a verb meaning “*to crush completely, to shatter, to break in pieces, to pulverize, to disintegrate, to torpedo, to annihilate or to break into shivers.*”

The word “*shortly*” in the original is an expression of two Greek words and is defined as “*in haste, as soon as possible, without delay, suddenly, swiftly, with all speed.*”

This Scripture leaves us with the image of all the works of the enemy being thoroughly taken apart. Ladies and Gentlemen, that is exactly what God has in mind. Isaiah 54:17 (NKJV) “***No weapon formed against you shall prosper, And every tongue which rises against you in judgment You shall condemn. This is the heritage of the servants of the Lord, And their righteousness is from Me,” Says the Lord.***” What a promise from God to us!

When he ends the verse with the words “***Says the Lord***” He is saying “***Signed God!***” When God gets involved in our legal fight against the trespasser, He will see to it that we get “*Over It!*”
