

1. **John 1:14** And the Word became flesh **and** dwelt among us, **and** we beheld His glory, the glory as of the only begotten of the Father, full of **grace and truth**.

Jesus came walking in grace and truth.

If all one has is grace, they overlook everything and allow everything in their lives. No boundaries – A road has shoulders for a reason – The shoulder of a road is there to rescue a driver from a ditch.

Be careful to not be so grace filled that you cannot be called out, or that you cannot call others out.

Jesus came full of grace and truth.

What is truth? His Word is truth – We can know the Word and be Word wielding Christians and still be out of bounds. If all we have is truth we are dangerous. The truth is not supposed to be used to brutalize others, the truth will make us free!

Ephesians 4:15 "Speak the truth in love..." Don't just speak it, speak it in a life giving way.

The message we preach and the life we live must be seasoned grace and truth!

When speaking the word we must avoid extremes – Stay in the middle of the road – Stay away from religious fads, which lead to heresy.

Difference between truth and honesty.

2. John 1:17

For the law was given through Moses, *but* **grace and truth** came through Jesus Christ.

Moses came off the mountain with the tables of the law written with the finger of God, on a cold hard tablet of stone. The people wanted it that way! *"All that He requires we will do."* The people chose the harsh path of the law.

When Jesus came He changed all of that – He brought grace and truth to the table! We seem to want to hold everyone else to the letter of the Law, but we

want grace for ourselves! It doesn't work that way! The law of sowing and reaping is in effect for everything we do! Everything!

Let's do our best to operate in grace and truth – That will make us seem more like Jesus!
