

Dear CTer:

Can you believe we are in a new decade of a new century? As I was thinking about this fact I felt the Lord say "*It is time*" for many things but especially for the promises and the prophecies of the past to come to pass. I also fervently believe we are going to see miracles, signs and wonders on a level that we have not previously experienced them. Please come into agreement with me on this and pray the promises and prophecies forward.

2019 was a great year for CT Nation:

- More than ____ people accepted Christ
- More than ____ people were involved in life groups
- Almost ____ volunteers and leaders have served

To all of you who prayed, gave and volunteered please accept my heartfelt THANKS!

Each year of this century CT Nation has expanded and grown but I feel it is time to go after all God has placed in our hearts to do. I am looking forward to 2020 with GREAT anticipation. I can hardly wait to see what He will do through us. I am thankful you and your family are on this journey with us.

You will find enclosed in this correspondence your 2019 giving statement. Thank you for your faithful support. If you feel the statement is not accurate you can call the church office and speak to Aimee Ashcraft and she will help you resolve any issues.

Susan and I love you and look forward to the opportunity to disciple, empower and serve with you in 2020.
