

COVER TO COVER GENESIS 27 & 28 TEACHING NOTES

READ 1-29

Isaac is old, blind and sickly.

This is about who has the blessing more than who is the firstborn.

Isaac is 137 years old at this time.

He married at 40

Had these twin boys at 60

He's 137 years old here...

So this means that these boys are in their mid to late 70's.

27:15 READ

Look at this: These were probably Esau's dress-up clothes reserved for celebrating feasts or ceremonial occasions.

The Hebrew word for "clothes" is beged, which can also be translated "treachery" or

“deceit.” This is a play on words, for Jacob used Esau’s clothes to deceive.

The Midrash Rabbah teaches that Esau ambushed Nimrod in the field, killed him, and took his garments. Jacob wore Nimrod’s garments and deceived his father.

According to the apocryphal Book of Jasher, the clothing that God robed Adam with was passed down to Noah, who gave it to his son Ham, and was eventually acquired by Nimrod.

The timeline of the lifespan of Adam to Joseph map.

According to The, Adam died around the time Noah was born.

Passing the clothing down to Noah would be possible just from my generational perspective.

☐ ☉ ☐☐♀

Clothing wasn’t even a thing until Adam and Eve made a disastrous choice...

The Garment that Adam and Eve sewed for themselves has the same root letters for the word treachery.

In most instances in Genesis where we reach about clothing it is connected to a story involving treachery or deceit.

Here with Rebekah and Jacob.

Then again with one of Jacob's sons: Joseph... we are about to study this story!

His brothers are jealous of His beautiful multi colored tunic

Sold him to Ishmaelites, on their way to Egypt, for slavery.

Gen 37:29-34

The brothers will use that garment/coat of many colors to help with the success of their deceit to their father, Jacob.

Then Joseph has his garment used against him by Potiphar's wife...she used his garment to turn her deceit into a successful lie....and Joseph is put in jail for a crime he did not commit.

Then the topic of Josephs' clothes come full circle, when Pharoah of Egypt bestowed great power on Joseph...Gen 41:41-43 when he CLOTHED him in garments of fine linen...

Isaiah 64:6: For all of us have become like one who is UNCLEAN, and all our righteous deeds are like a filthy garment (u-k-beged); and all of us wither like a leaf, and our iniquities, like the wind, take us away.

Where humans use garment to carry out treachery and deceit...

God used garment to fulfill salvation/
He take our deceitful and filthy garments
And clothes us with garments of salvation.
Wraps us in robes of righteousness.

Look at the blessing in vs 28-29
Jacob went through all the deception to obtain what God had already declared was his.

LOOK AT THIS!!!

The Hall of Faith – Hebrews 11

Reveals a remarkable insight into this account.

God commends Isaac in Hebrews 11:20 saying: The power of faith prompted Isaac to impart a blessing to his sons, Jacob and Esau, concerning their prophetic destinies.

It certainly doesn't appear to be an act of faith...it seems to be a mistake, a deception, a blunder.

But God called it faith!!!!

It is the nature of faith to give priority to God's will rather than our own.

Abraham had to "give up" his son, Isaac... when they went to that mountain to sacrifice.

Now Isaac had to give up his son Esau and his opinion of how God was to accomplish his purposes.

Esau arrives back home.
Is distraught at what has happened.

He begs for some type of blessing from his father.

Look at the “blessing” in vs 39...

Hebrews 12:16-17 describes Esau was careless about God’s blessing.

Esau’s descendants are known as the Edomites.

They were violent people

They raided caravans and pillaged cities.

During David’s reign, he dominated the Edomites.

But they later revolted under the reign of Jehoram.

KING HEROD:

Some 1800 years later, guess who was who was the result of this curse on Esau?

At the time of Jesus, the name of the land of Edom was known in the Greek language as Idumea.

Edom was King Herod’s people, heritage and homeland.

The evil and bloodthirsty King Herod...the King Herod who sold out to Rome and became their puppet....was a descendant of Esau.

The first king of the Jews.

Isaac sealed Jacob's blessing with a kiss, but not Esau's.

Esau HATES his brother

Plans to kill him

This reminds us of Cain...

Esau made an inner vow to murder his brother as soon as his father died.

All because His brother received a blessing that he wanted.

Tells his mother

She comes up with a plan to send Jacob to her family in Mesopotamia.

Using the excuse to find a bride.

Cover To Cover
Ways We See Jesus in Genesis 27

1. **The Father's Blessing**

- o Isaac had only *one* blessing to give, and Jacob received it.
- o In Christ, we see the *true blessing of the Father* given not to the “deserving” (by birthright), but to the *chosen by grace*.
- o Jesus is the *firstborn Son* who deserves the blessing, yet He shares it with us (Ephesians 1:3).

2. **The Role of Substitution**

- o Jacob disguised himself as Esau to receive what belonged to the firstborn.
- o This foreshadows how **Jesus clothes us in Himself**. We don't receive the Father's blessing on our own merit but because we are covered in Christ's righteousness (Galatians 3:27).
- o Unlike Jacob's deception, our “covering” in Christ is God's plan of salvation, not trickery.

3. **The Smell of the Garments**

- o Isaac said Jacob “smelled like the field the Lord has blessed” (Gen. 27:27).
- o This reminds us that when God looks at us in Christ, He “smells” the pleasing aroma of His Son (2 Corinthians 2:15).

4. **The Struggle Between Two Sons**

- o Esau (the firstborn) and Jacob (the chosen) reflect the biblical theme of *the natural vs. the spiritual*.
- o Jesus is the “greater Son” who fulfills what Jacob imperfectly received. Through Him, the blessing of Abraham flows to all nations (Galatians 3:14).

5. **The Cost of the Blessing**

- o Jacob’s blessing brought division, conflict, and fear.
 - o But Jesus’ blessing brings **peace with God**. He bore the cost at the cross so we could receive the Father’s blessing without fear (Romans 5:1).
-

Big Picture:

In Genesis 27, Jacob “puts on” Esau to receive the blessing.

In the gospel, *we put on Christ* to receive the

Father's blessing.

What was done through deceit in Genesis,
God fulfills perfectly and truthfully through
Jesus.

CHAPTER 28: READ 1-5

Isaac blesses Jacob and sends him away.

A 550 mile trip.

Back to Mesopotamia

This would be the last time Jacob sees his
mother. She will die before his return home.

LOOK at the BLESSING:

Edited to "When Isaac called Jacob in to send
him away to find a wife from his family In
Mesopotamia...he blessed him with the
blessing that was completely different than
what God promised Abraham and what
Abraham promised Isaac.

That blessing was that they would produce nations. Genesis 12:3

Hebrew word GOY... it means a mixture of nations. (Hebrew and non Hebrew/Gentile)

To Summarize:

Abraham produced both Hebrew and non Hebrew offspring, as God has promised him in Gen 12:2...With Isaac being the Hebrew.

Ishmael the non Hebrew.

Abraham's son Isaac produced Hebrew and non-Hebrew people with Jacob being the Hebrew.

BUT: Jacob produced ONLY Hebrews. All the tribes of Israel.

No more division, separating and dividing.

This time. Isaac said to Jacob.

May God Almighty bless you and make you fruitful and multiply you until you become a great company/group of peoples.

In Hebrew it's KAHAL AMMIM

I looked it up. □□□□

The masculine noun קהל (qahal), meaning assembly, company or congregation. It may denote an assembly with specific intent (Genesis 49:6), or a gathering of soldiers ready to invade (Numbers 22:4). It may denote a company of returning exiles (Jeremiah 31:8), or people grouped up to hear a message (Deuteronomy 5:19). It's also the word used to indicate an organized body of people.

The Latin translation of this noun is most often ekklesia!!!

קהל נקבה

Read Vs 6-9:

Esau marries Ismael's daughter: Mahalath

Her name means sickness, disease, sad song.

Earlier it mentioned that he had married 2 Hittite women:

The Hittites were the descendants of Heth, the son of Canaan. (Gen 10:15-16)
They are who Abraham bought the cave from to bury Sarah in.

Uriah the Hittite was one of David's mighty men (2 Samuel 11:3).

Judith: Praise, Let Him Be Praised (THE only time this name appears in the Bible...Judith is the feminine form of the masculine name Judah. It may very well be that the origin of the name Judah was inspired by the name of his aunt Judith!)

Basemath: Sweet fragrances, pleasant smelling

So Esau has gone from sweet fragrances, pleasant smelling, Let him be praise, to sickness, disease, sad song.

He marries Ishmael's daughter!
2 dispossessed first borns.

This is the mixing of 2 dispossessed first borns.

Here an alliance through intermarriage is formed.

This bonds the two dispossessed firstborns, rejected by Jehovah as possible heirs to the covenant line of promise, Ishmael and Esau, into what will rather quickly turn into a permanent anti-Israel group of Nations.

It is the alliance and gene pool mixing of Ishmael and Esau who form the vast bulk of Islam in the world today, and the entire bulk of Arabs.

The Arab world carries the genes of Esau.

In particular a large portion of the Turkish population are related to Esau.

As well as:

Most Syrians

The Kurdish people of Iraq

The Ottoman Empire—They were a dominant tribe in the nation of Turkey.

These are Muslims.

They play a dominant role in the end time of Revelation as enemies of Israel.

THIS HATRED IS OVER 4000 YEARS OLD!!!!

JACOB'S DREAM 10-15

Here he becomes the third and final Patriarch. Jacob leaves Beer-sheba and travels a bout 40 miles, when he stops after 2 or 3 days for a nights rest at an anonymous, very rocky place.

God had manifested himself to Abraham in this same place in Genesis 12:7-8.

Here...we find Jacob making a separate identity for himself...

Here he becomes the third and final Patriarch.

This was no happy trip to Mesopotamia.

He was running for his life.

He was leaving the scene of a disaster of his own making.

What did God tell Jacob?

Did he scold him for being a deceiver, a heel, a swindler?

Did he rebuke his lack of faith?

NOT AT ALL!!!

He revealed Himself to Jacob as the ONE who would never leave or forsake him!

This revelation of GRACE was a steady stream of assurances that washed over wayward Jacob!

The blessing upon Jacob represented the official transfer from Isaac to Jacob. His earthly father had blessed him a few days earlier. Now His Heavenly Father validates those blessings.

The Lord gave these promises to Jacob while he was still a deceiver, unreliable, and unbroken.

Jacob will come back to this same place 20 years later....but when he comes back, he will be a changed man.

Your transformation may take more than a year, it may take more than 20 years...but God will finish the work of changing you into HIS SON's image...we go from glory to glory!!!

Phil 1:6...being confident of this one thing... that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

You will be His look alike.

Read vs 16-19

Jacob has had a dream, a vision actually...just exactly as it was so for his grandfather, Abraham. In this dream or vision, he is given a glimpse of the Heavenly spirit world.

Notice: Jehovah God started by transferring his place of residence from Heaven to Earth – in the garden of Eden. Then back again due to man's failure.

NOW: here we have a LADDER – A STAIRWAY. The stairway represents the connection between God and man that was currently broken.

The stairway represented the connection between man and God that was currently broken.

In the beginning, man would come directly to God, because God was present WITH man.

But rebellion and sin broke that connection, and God moved Himself BACK to Heaven.

And NOW....there is a LADDER...a stairway, by which God sends His ministering angels to do His work on earth.

Later, we will see another connection between Heaven and Earth.
The Wilderness Tabernacle.

What was this LADDER?
What did it signify?
What is it a picture of?
Remember, Genesis is a PICTURE book.

LOOK AT JOHN 1:51
Jesus is talking to Nathaniel....one of his first converts.

“...I assure you and most solemnly say to you, you will see heaven opened and the angels of God ascending and descending on the Son of Man (the bridge between heaven and earth).”

This statement by Jesus was made 1800 years later after this event with Jacob.

Jacob saw the LADDER.

For Jacob, it was both a current reality AND prophecy.

For us, this is not only reality...it is prophecy FULFILLED!!!

JESUS is OUR LADDER

The ONLY ladder that reconnects us with God. It's upon Him that the angels ascend and descend, today, in our time.

Jacob was so AWESTRUCK by what he saw...

That he names it: Bethel: The House of God.

Beth: or BEIT: house
EL: God.

This is the first mention of God's house in the Scriptures.

The house of God was filled with:
His presence
A gateway to heaven
A stairway with angels
And revelation.

1800 years later, the House of God would be born among us, born of a virgin.

Jesus came to be an example of the House of God.

The dwelling place of God and men under one roof, living in a body.

Jesus was the initial fulfillment of the House of God

NOT the ultimate fulfillment...

Today...the House of God, the gate to heaven, is a description of us...THE CHURCH.

We are God's house!

1 Cor 3:16

The Lord dwells among us as his people.

And we become a gateway for others to come to God through our message of new life in Christ.

LUZ vs 19

Luz means separation or departure.
God calls us to separate ourselves to him...
And when we do, we become the House of God.

There is another interesting thing happening here.

The anointing of the stone that Jacob laid His head on to sleep during his dream/vision.

First off, you can see how old this concept of anointing with oil is.

This is taking place around 1800 BC

Anointing with oil was in rather widespread use in this era, and often marked the making of an agreement.

Marking boundaries and creating memorial markers using a stone (they were called

Standing Stones) was also common.....but they weren't anointed with oil.

So...watch this:

THE OT is a Picture book? Right?

You have Jacob resting his head on a Rock.
Then anointing the Rock.

Let's look at the LINK between this that's happening for Jacob and the meaning of a couple of things: first off:

Messiah: anointed One

THEN...alllllll throughout scripture Jesus is referred to as, of all things, A ROCK:

Look at Psalm 18:2

1 Cor 10:4

1 Peter 2:6

1 Samuel 2:2

Matthew 7:24-27

Isaiah 26:4

Deuteronomy 32:18

When we get to the NT, we see this ROCK mentioned a lot...

The Jewish people didn't just pick up any old metaphor that struck them...what they were referring to was an ancient, traditional society that had enormous history of well-established meanings in the events of the Patriarchs.

Jewish commentary and others believe:
That the calling of Messiah Jesus: THE ROCK
Referred back as far back as this event with
Jacob, whereby he anointed a rock that he
rested his head upon.

Jesus is the Chief Cornerstone
The Stone that killed Goliath
The Stone of Daniel that conquers kingdoms
(Dan 2:34, 45).

What else is mentioned here...that we've
heard before?

Tithing!

Are we to the law yet?
Tithing PREDATES the law.

Abraham/Melchizadek first heard of it there.

Now Jacob vows to God that He would give all his allegiance to Him...

And that of all God gives him, he will return a tenth.

So the principle of tithe is seen very early on in scripture!

Finding Jesus on the page of Genesis 28.

1. The Ladder / Stairway to Heaven

- Jacob dreams of a ladder reaching from earth to heaven with angels ascending and descending.
- In John 1:51, Jesus tells Nathanael: *“You will see heaven opened, and the angels of God ascending and descending on the Son of Man.”*
- Jesus is the **true ladder**—the bridge between heaven and earth. Through Him, we have direct access to God.

2. The Promise of God’s Presence

- God promises Jacob: “*I am with you and will watch over you wherever you go.*”
- Jesus fulfills this with “*I am with you always, even to the end of the age*” (Matthew 28:20).
- He is **God-with-us (Emmanuel)**, the personal presence of God walking with His people.

3. The House of God (Bethel)

- Jacob names the place “Bethel” (house of God) after encountering the Lord there.
- Jesus later identifies Himself as the true temple (John 2:21)—the ultimate dwelling place of God.
- In Him, we become the house of God, the living temple filled with His Spirit.

In short: Genesis 28 reveals Jesus as the **ladder to heaven, the abiding presence of God, and the true dwelling place of God among His people.**
