

COVER TO COVER

The Tabernacle & The 8th Day

I looooooove this study. It has helped me
soooooooo much connect allllll the dots.

The end times teaching that I heard growing
up was always presented in such a scary
way.

It made me not want to study it or know about
it in detail.

But this study on the feasts has made it
beautiful to me.

I can't get enough of it.

"GOD'S YEAR PLANNER"

**We've gone from FROM THE CROSS TO THE CROWN in
this study of The Tabernacles.**

"God's calendar never has a blank space."

Listen — whatever God does is *never an afterthought*.

He *thinks ahead*. God never wakes up in the morning and says, "Oops!"

Just like we chart our year — vacations, birthdays, goals, strategy —
God has a Year Planner too — and it's these feasts.

And the most **astounding, prophetic chapter** in all of Scripture is right there in **Leviticus 23** —
the *seven feasts of the Lord* — God's annual calendar.

GOD'S APPOINTED TIMES — MOADIM

“Moadim.”

That's the Hebrew word for **feasts — appointed times — God-set times.**
A word used **223 times** in Scripture.

Here's the punch line:

God didn't do anything random with salvation history — He laid it out in a calendar.

Genesis to Revelation — God's prophetic clock ticks with purpose.

Leviticus 23 —
not just rituals...
not just Jewish history...
but the **blueprint of redemption.**

These aren't holidays —

These aren't “let's get together about 3x a year....”
they are heavenly landmarks.
They tell the time.

They track God's plan from **the Cross to the Crown.**

WHY THESE SEVEN FEASTS?

- Because God said they are for:
- **Signs —**
- **Seasons —**
- **Days —**

- **Years.**
(Genesis 1:14)

These feasts are God's way of saying,
"I will show you where we are — and where we're going."

And when studied with the Spirit, they reveal Christ.

THE FIRST FOUR — ALREADY FULFILLED

God's plan didn't stumble — it marched with precision.

Spring Feasts:

1. **Passover** — Christ dies for our sins...our position.... Barley harvest
2. **Unleavened Bread** — His body buried and untouched by decay...our condition
3. **Firstfruits** — His resurrection...our identity as sons and daughters
4. **Pentecost** — The Spirit comes — the Church is born.....the work of sanctification

Boom. Fulfilled.

But then... the calendar reaches autumn...

THE FINAL THREE FEASTS — NOT YET FULFILLED

The last three — Trumpets, Atonement, Tabernacles —
all fall within **15 days** on God's calendar.

Prophecy is about to make a divine announcement.

And the most stunning of all is the **Feast of Tabernacles**.

TABERNACLES — GOD DWELLING WITH HIS PEOPLE

Tabernacles is not just a feast...
it is **a festival, a future, a fulfillment.**

The word tabernacles means “to dwell” — to live among.
God said it again in John 1:14:

“The Word *tabernacled* among us”...
meaning *God pitched His tent in our neighborhood.*

Tabernacles looks back —
and it points forward.

The OT Tabernacle was known as the Tent of Meeting. Exo 25:8 (shakan...Shaw-kan)

It was covered in “skin”

YOU ...your skin is now the Tent of Meeting!

WHAT IT COMMEMORATES

In ancient Israel:

- ✓ For **7 days** the people lived in booths —
temporary shelters.
- ✓ They remembered the **40 years** in the wilderness —
- ✓ Succoth was their first stop out of Egypt.
God providing food, water, shelter —
pushing them from Egypt to the Promised Land.

God *was with them*, every step.

Cloud by day. Fire by night.

That’s Tabernacles.

SIGNS OF TABERNACLES

1. Living in Booths

A reminder that life on earth is temporary —
God is our provider, not our possessions.

Isaiah said God will shelter His faithful remnant:

A cloud by day...
A fire by night...
Protection in the storm.
(Isaiah 4:5-6)

Brothers — that's prophetic of Jesus!

2. Sacrifices — All Wrapped in Seven

Every offering in Tabernacles was divisible by seven —
the number of *completeness* in Scripture.

Seven days...
seven types of sacrifices...
sevenfold symbolism.

I'll cover this more in depth later.

Seven is Gods number.

It's the number of completion. And biblical perfection.

Tabernacles is about **completion — culmination — God finishing what He began.**

3. Rejoicing!

Listen to Leviticus 23:40 —

“Ye shall *rejoice* before the Lord your God seven days.”

This was not a somber feast — it was joyful!

But here's the twist...

At the end of the seventh day —
comes the **Eighth Day.**

The rejoicing pauses.

A Sabbath.

Shabbat — Shabbathon.

Not a day of work —
but a day of **solemn rest and final fulfillment.**

They tagged an **Eighth Day** on the end of the feast.

THE EIGHTH DAY — THE GREAT REVELATION

Watch this:

Seven — completion....biblical perfection.
Eight — **NEW BEGINNING**.

Biblical numerology isn't random —
it's **prophetic theology**.

Eight speaks of **resurrection, renewal, and new creation**.

And.....New beginnings...divine interview

Resurrection: Jesus rose on the *first day of the week* —
the eighth day after the Sabbath.

The feast points us to more than remembrance.

It points us to *what is coming*.

THE WATER DRAWING & LIGHT CEREMONIES

Jesus stood up at Tabernacles and said:

“If any man thirst, let him come to me and drink.”
(John 7:37-38)

Why at Tabernacles?

Because Tabernacles had a water pouring ceremony —
re-enacting the water from the rock in the wilderness.

THE WATER DRAWING CEREMONY — A JOY THAT BREAKS EVERY SHACKLE

Picture Jerusalem...

At dawn, the priests would put on **golden robes**, grab a **golden pitcher**, and walk down the long road to the **Pool of Siloam**.

Where Jesus healed the blind man.

John 9, he sent him to the pool of Siloam:

1 And as Jesus passed by, he saw a man which was blind from his birth... 6 When he had thus spoken, he spat on the ground, and made clay of the spittle, and he anointed the eyes of the blind man with the clay, 7 And said unto him, Go, wash in the pool of Siloam, (which is by interpretation, Sent.) He went his way therefore, and washed, and came seeing. 8 The neighbours therefore, and they which before had seen him that he was blind, said, Is not this he that sat and begged? 9 Some said, This is he: others said, He is like him: but he said, I am he. 10 Therefore said they unto him, How were thine eyes opened? 11 He answered and said, A man that is called Jesus made clay, and anointed mine eyes, and said unto me, Go to the pool of Siloam, and wash: and I went and washed, and I received sight.

The spit of the firstborn in the Bible is associated with healing properties. In ancient Jewish tradition, it was believed that the saliva of the firstborn son had special healing powers. This belief is reflected in the actions of Jesus, who used spit and mud to heal a man born blind, as described in John 9:6. This act not only demonstrated His miraculous abilities but also connected to the cultural understanding of the firstborn's significance in healing practices

This wasn't ordinary water.

This was water from a **spring — living water — flowing with life!**

The people *knew* the significance:

Their land was dry ... their fields thirsted ...

And in the heat of the summer, **rain was just a prayer away!**

So every morning of Tabernacles (7days)

the priests would meet down at Siloam,

they'd dip up that water — come marching back —

and the world would watch in reverent **joy**.

□ **Trumpets would blast.**

□ **The Levites would sing:**

"With joy you shall draw water from the wells of salvation!" — Isaiah 12:3 made alive!

Not somber ... not dull ...

Joyful! Like a harvest finally ready to be gathered.

The priest would then pour that water out on the Temple altar alongside wine — and the people would lift palms and willow branches and **raise their voices** saying:

"Save now, we plead, O Lord... make us prosper now!"

Why?

Because water signified **Life**,

and water poured out was a **prayer for God's blessing, for rain,**

for an outpouring of Spirit! (Called the latter rain..... the former rain was at Pentecost)

Family — hear me —

They were not praying for a little sprinkle...

They were praying for **a flood of God's Presence!**

They wanted **rain from heaven!**

Not just for crops — but for their *souls!*

Tabernacles is not just about past history —

It's prophecy in motion!

• **Water poured from Siloam:** The *longing for God's Spirit*. (Pentecost was just a down payment....the fullness of His spirit comes at Tabernacles)

• **Joyful trumpets and palms:** A *harvest of salvation*.

THE 8th Day of the Feast:

And then one day,
on that **eighth, greatest day**
Jesus stood up and shouted:

“If anyone thirsts, let him come to Me and drink!”
— *John 7:37*

He knew exactly what that water meant that they’d been pouring out for 7 days—
And He declared **Himself as the Source!**
He said, *Come to Me!*
Because not only would you be filled,
but “*rivers of living water will flow from within you.*” (John 7:38).

On the eighth day there was no water poured...
This was to remind them that they were now in the
promised land

Jesus stood and shouted out to the crowds—“All
you thirsty ones, come to me! Come to me and
drink!

38 Believe in me so that rivers of living water will
burst out from within you, flowing from your
innermost being, just like the Scripture says!”

When man’s feasting is over... There is still thirst!

Jesus comes on the last day of the feast to satisfy
the thirst of those that seek God

Only the Lord Jesus can clinch the spiritual thirst of
men by giving them the living water!

John’s emphasis “on the last day”... Probably
indicates that Jesus meant to show a contrast...

There's no more water at the temple and in the rituals we love... I have the water you're looking for.

A Drink Becomes A River!!!!!!

You see, Siloam was a *spring* ...

But Jesus is the **spring of all springs** —

the fountain of life — the ONE who pours out the Spirit!

Jesus says:

“I am that water.”

All that water you've been pouring out for 7 days.... I AM THAT WATER

This feast is *Christocentric* — all about Him.

This is why when Jesus stood up and cried out on that *great day*,

He wasn't giving a new metaphor **He was reclaiming the feast's deepest meaning!**

He said: *If you're thirsty, come to ME! Let ME fill you! Let rivers of living water flow through you!*

Class — He was standing in the midst of a **water ceremony**

and He declared *Himself to be the true meaning of the whole ceremony!*

THE LIGHTS CEREMONY.

THE TEMPLE LIGHTING — WHEN DARKNESS MEETS ITS MATCH

Now, let's talk about the **illumination** — the *light show* of Tabernacles.

Every night of the feast —

after the water ceremony —

men would gather in the Court of the Women. (Pic)

This area was where this water drawing ceremony would happen.

And there stood **four massive golden menorahs**, each with *four glowing flames*.

And the oil — oh — they say the wicks were made from worn priestly garments —

and the light was so bright —

Jerusalem itself was filled with LIGHT! — brighter than any torch could cast.

Then the men danced with fire — wave after wave after wave —
torches soaring in the sky,
voices singing,
trumpets blaring —
a light festival unto the LORD!

And every Jewish worshiper would have remembered:
“*The light shines in the darkness ... and the darkness did NOT overcome it.*” — John 1:5.

In the wilderness he was a cloud by day and a pillar of fire by night.

— Jesus said, *I am the light of the world.* John 8:12

And He spoke that very truth *during this feast of light!*

So the water was poured —
and the fire was lit.
Water and fire — symbols of **Spirit and Glory.**
Not just a show — but **a prophetic picture of JESUS!**

Tabernacles unfolds the truth:
God dwells with His people — past, present, and future.

So... review...

Tabernacles is not just about past history —
It's prophecy in motion!

- **Water poured from Siloam:** *The longing for God's Spirit.*
- **Joyful trumpets and palms:** *A harvest of salvation.*
- **Illumination through torch and menorah:** *God's glory dispelling darkness.*

A FACT about God's glory:....Anywhere God puts his glory....is his stamp of approval !!!!When God's glory descended upon the OT Tabernacle tent, it signified His approval and presence.

He was standing in the midst of a **water ceremony**
and He declared *Himself to be the true meaning of the whole ceremony!*

He was standing in the midst of *towering lights*
and He declared *I am the light!*

He was standing at **Tabernacles**
and He declared: *I am everything that feast was pointing to!*

TABERNACLES AND THE END OF TIME

Let's piece the prophetic puzzle together.

1. **Passover** — Christ died
2. **Unleavened Bread** — Christ buried
3. **Firstfruits** — Christ risen
4. **Pentecost** — Spirit given...as a down payment...
5. **Trumpets** — regathering of Israel
6. **Atonement** — judgment, repentance
7. **Tabernacles** — millennial reign....God dwelling *with* His people forever

Then...

THE EIGHTH DAY

A day beyond the feast.

A day of final glory.

THE 8TH DAY — “SHEMINI ATZERET”....

its a one day holiday.

God said it's to be a sacred occasion.

Watch this.....It marked the end of the harvest season.

It's a day set apart for a celebration of the harvest.

What's been being harvested this whole time ?

Grain. (Gentiles) Bread for God's great communion table

Grapes/wine (Israel)for God's great communion table.

Souls. Sons. Daughters. The family.

The Day God Says: "Stay With Me"

1 What the 8th Day Is (and Is Not)

The Feast of Tabernacles (Sukkot) lasts **7 days**, but Scripture commands an **additional day**:

"On the eighth day you shall have a sacred assembly... it is a solemn assembly."
— Leviticus 23:36

This day is called **Shemini Atzeret**, which literally means:

□ **"The Eighth Day of Assembly / Restraining / Lingerin"**

Shemini Atzeret literally means "eighth [day] stop." It is from the verse which tells us that after the seven days of Sukkot, "on the eighth day, a stop it shall be for you." Numbers Chapter-29:v35

Jewish sources consistently explain it this way:

*After seven days of celebration, God says to His people,
'Stay one more day — your departure is difficult for Me.'*

So the 8th day is **not** another party day.
It is **not** another harvest celebration.
It is **not** another ritual-heavy day.

It is:

- quieter
- more intimate
- more inward
- more about **presence than performance**

"Seven days God celebrated WITH His people...
On the eighth day, God said: *I just want you with Me.*"

2 What STOPPED on the 8th Day

This is critical.

According to Jewish tradition and the ceremonial descriptions we referenced earlier:

☐ **The Water-Drawing Ceremony STOPPED**

- For seven days, water was drawn daily from the **Pool of Siloam**
- It was poured out with joy, music, and shouts
- It symbolized **prayer for rain and the outpouring of the Spirit**

But on the **8th day**:

☐ **No water was drawn**

☐ **No water was poured**

Why?

Because the prayer had reached its **completion**.

☐ **The Temple Illumination CEASED**

- The giant lampstands were lit **during the nights of the feast**
- Jerusalem glowed with light
- It celebrated God's glory that once filled the wilderness and the Temple

But on the 8th day:

☐ **The lights were no longer lit**

3 Why the 8th Day Matters Spiritually

In Jewish theology, **seven** represents:

- completion
- cycles
- creation

But **eight** represents:

- **new beginnings**
- **what is beyond nature**
- **what is eternal**

That's why:

- Circumcision happens on the 8th day
- Resurrection happens on the day after the Sabbath
- Glory always breaks in **after completion**

“Seven is what man can finish...
Eight is where God takes over.”

4 THIS Is When Jesus Stood Up (John 7:37–39)

Now put it together.

John says:

“On the last day, that great day of the feast, Jesus stood and cried out...”

This is **Shemini Atzeret**.

- ☐ No water being poured
- ☐ No lights blazing
- ☐ No ceremony speaking for God

So **Jesus stood up and spoke Himself**.

- ☐ When there was **no water**, He said:

“If anyone thirsts, let him come to Me and drink.”

- ☐ When there was **no light**, He later declared:

“I am the light of the world.”

- ☐ **This is not coincidence — this is confrontation.**

Jesus was saying:

“Everything you were symbolizing...
Everything you were waiting for...
Everything you were rehearsing...
I AM NOW STANDING IN FRONT OF YOU.”

5 The Prophetic Meaning of the 8th Day

From the sources and traditions we used, the meaning comes into focus:

- The **water ceremony** pointed to the Holy Spirit...in fulfillment
- The **light ceremony** pointed to God’s glory
- The **8th day** points to **FULFILLMENT**

Not effort
Not ritual
Not repetition

But **relationship**.

“The seventh day celebrates what God did...
The eighth day celebrates WHO GOD IS.”

6 Why This Ties to the Future (Tabernacles Fulfilled)

Prophetically, the 8th day points to:

- the fullness of the Spirit
- the final dwelling of God with humanity
- Revelation’s vision where **God Himself is the light**

No temple.
No lamp.
No sun.

“For the glory of God gives it light, and the Lamb is its lamp.” Rev 21:23

So the 8th day whispers eternity.

7 Close

“Seven days they poured water...
Eight days later Jesus said *I AM the water*.”

Seven nights they lit lamps...
Eight days later Jesus said *I AM the light*..

Seven days they celebrated provision and God tabernacle with them ...
On the eighth day God said: *I want YOU to be with me eternally.*”

Revelation 7:15

“They shall see His face... and He that sitteth on the throne shall *dwell* (*skenoo*) among them.”

“Dwell” — the SAME word used in John 1:14!

God's plan doesn't just end with a final harvest —
it ends with **dwelling**.

Not “visiting” —
not “checking in” —
but **permanent presence**.

ZECHARIAH 14 — EVERY NATION WILL KEEP TABERNACLES

One day — every nation —
even those that once fought against God —
will come to Jerusalem to worship Him.

Why Tabernacles?

Because it represents the **final ingathering** —
the redeemed from *every tribe, tongue, and nation*.

This feast that began in Israel will become
the feast of the world.

A GLIMPSE OF THE MILLENNIUM

Listen:

The millennium will be glorious —
peace, prosperity, worship — all under Christ's rule.

Yet even there —
Satan will be released one last time —
revealing that evil does not come from environment...

it comes from sin.

But that is AFTER Christ reigns a thousand years.

Before that —
The 8th day pictures the reality:

God with us.
Forever.

Eternity.

Oh yes — this is where Tabernacles gets **DEEPLY prophetic.....**

Because God wasn't just giving Israel a sacrifice schedule... He was preaching a sermon through blood.

1 WHY DO THE BULLS DECREASE EACH DAY?

During the 7 days of Tabernacles the bulls go like this:

13 → 12 → 11 → 10 → 9 → 8 → 7

That's a steady decrease of **one bull per day**.

□ The simple answer:

God built a **countdown** into the feast.

It's like heaven is saying:

“Something is winding down...
something is coming to completion...
something is approaching fulfillment...”

This isn't random math.
This is prophecy in numbers.

2 WHAT'S THE PROPHETIC MEANING?

□ A) The 70 Bulls Represent the Nations

When you total the bulls for the 7 days:

13+12+11+10+9+8+7 = 70 bulls

Jewish tradition has long connected the **70 bulls** with the **70 nations** of the world (based on Genesis 10, the “Table of Nations”).

So the picture is:

Israel is not just sacrificing for Israel...
Israel is interceding for the WHOLE WORLD.

Tabernacles is a feast of **global redemption**.

That's why it's called the feast of **ingathering** (harvest).
It points to the day when all nations will come under God's rule.

□ Preaching line:

"God said, I'm not just saving one people...
I'm calling EVERY nation to My mountain!"

□ B) The Decrease Shows God Subduing the Nations

As the bulls decrease, you can preach it like this:

"Every day another bull falls...
because every day another kingdom is coming down!"

It prophetically represents the **progressive removal of rebellion** and the bringing of the nations into alignment with God's Kingdom.

The world systems are being reduced.
Human pride is being dismantled.
Earth is being brought under heaven.

□ Preaching line:

"The bull count went down...
because flesh has to go down...
so the King can be lifted up!"

□ C) It's a Picture of the Kingdom of Christ Taking Over the Earth

Tabernacles points to the time when Jesus will reign.

Zechariah 14 connects Tabernacles directly to the nations worshiping the King:

"Everyone who is left of all the nations... shall go up... to keep the Feast of Tabernacles."

So the sacrifices show:

- the nations coming under God's authority

- the nations being brought into worship
- the earth transitioning from man's rule to Christ's rule

□ Preaching line:

“Tabernacles is the feast where earth finally looks like heaven!”

3 THE 8TH DAY — WHY ONLY 1 BULL?

Then after the 70 bulls are offered across 7 days...

The 8th day comes and the offering suddenly drops to:

- **1 bull**
- **1 ram**
- **7 lambs**
- **1 goat**

That's a MAJOR shift.

What's the message?

The 8th day represents:

- eternity
- completion
- the age to come
- God dwelling fully with His people

So the offering becomes smaller, not because it's less important...

...but because the work is finished.

□ Preaching line:

“When the Kingdom comes in fullness...
you don't need 13 bulls...
because the Lamb is sitting on the throne!”

4 WHY DOES IT START AT 13 AND END AT 7?

This is powerful symbolism too.

13 (beginning)

In Hebrew thinking, numbers often carry meaning. Many Bible teachers connect **13** with rebellion (because of patterns like Nimrod and lawlessness themes).

So it's like Tabernacles begins with a world still full of resistance.

7 (completion)

Then it lands on **7 bulls** on Day 7, the number of completion and spiritual perfection.

Meaning:

“God will bring the world into divine order.”

□ Preaching line:

“It started in chaos...
but it ends in completion!”

5 BIG PROPHETIC TAKEAWAY (Preach This!)

□ Tabernacles is God saying:

“I am going to bring every nation under My Son.”

The decreasing bulls are a prophetic countdown:

- from rebellion
- to surrender
- to worship
- to the Kingdom

And the 8th day is the final message:

“This isn't temporary...
this is eternal.”

6 PREACH THIS...or skip down to highlight area

Here's a ready-to-go preaching run:

"Day one they brought 13 bulls...

Day two they brought 12...

Day three they brought 11...

Why?

Because God was showing Israel something!

Every day another bull dropped...

because every day another nation is coming down!

Every day another kingdom is losing power!

Every day another idol is being dethroned!

Every day another enemy is being subdued!

Until finally...

it gets down to SEVEN!

And when it gets to seven, God says:

'It is complete... it is finished... it is perfected!'

And then the eighth day steps in...

and they don't bring 13...

they don't bring 10...

they don't bring 7...

They bring ONE.

Because when God is done gathering the nations...

when God is done bringing the harvest...

when the Kingdom is established...

you don't need a thousand sacrifices...

because the Lamb of God is reigning forever!"

☺☐ That'll preach.

7 QUICK SUMMARY

70 Bulls over 7 Days

= symbolic intercession for the nations

Decreasing Bulls

= nations being progressively subdued and brought under Messiah's rule

8th Day Small Offering

= transition into eternity, rest, completion, "God dwelling with man"

CONCLUSION

God's Year Planner took us:

† From the Cross...

☐ To Pentecost...

☐ To the Crown...

But there is one final blessing...

THE EIGHTH DAY —

a day *beyond* the feast —

a day of **eternal dwelling**

with the God who never misses His time.

This is not a dusty Old Testament relic.

This is your future.

This is your hope.

This is *why Jesus came*...

this is *where history is headed*...

And if you are walking with Christ today —

then He isn't just with you now —

He's preparing you for that day when YOU will dwell with Him,

face-to-face,

in everlasting glory.

☐ **FINAL Punchlines:**

➔ **God doesn't miss His dates.**

➔ **He planned your worship before He planned your world.**

➔ **The feasts aren't Jewish history — they are God's timetable of redemption.**

➔ **Tabernacles is your future dwelling with God.**

➔ **The Eighth Day is the eternal day.**

History is not over —
the best is yet to come!

Amen.

Extra notes.

From Moses to Christ was a *Passover Age*, reflecting the first level of anointing and empowerment, wherein the Kingdom of God operated on a relatively small scale in the House of Israel. The day of Pentecost in Acts 2 began a *Pentecostal Age* with an enhanced level of the Holy Spirit's power, and this brought the Kingdom of God an entirely new empowerment. But even Paul acknowledged three times that this was only an EARNEST of the Spirit, a downpayment of something better that was yet to come. He looked for a *Tabernacles Age*, in which the FULLNESS of the Spirit would be poured out, and the Kingdom of God would be established in the earth in its highest form and with its greatest power.

in Ephesians 1. Vs 13 says we sealed w/ his spirit

vs 14 the Holy Spirit is the guarantee of our inheritance until we acquire possession of it.

All of what you sent is a perfect picture of our guarantee of our inheritance until we acquire full possession of it.... Our connection with the spirit of God, the separation of the chaff, until we are returned to our original owner.
