

This phrase “*Exceeding abundantly*” is a fun phrase in the original language. Paul uses a double compound word; in fact, he makes up his own word phrase. He is so caught up in the enormity of God that he creates a new word phrase to make his point. He stacks these words one upon another in an attempt to say, God is not just big:

- He is big-uhmundo-huge-a-riffic
- He is fan-awe-stical-some
- He is magni-great-more-big-fully
- He is super-beyond-erful
- He is incredi-outrag-i-dible!”

In Ephesians 3:20 Paul is morphing words together to make his point! He is saying that God is:

Ably able...

Amazingly Amazing...

Awesomely awesome...

Extravagantly extravagant...

Fantastically fantastical...

Indescribably indescribable.

Infinitely infinite...

Incredibly incredible...

Outrageously outrageous...

Bigly big...
