

MIDEAST PEACE AGREEMENT THE ABRAHAM ACCORD

On August 13, 2020 Israel, the United Arab Emirates, and the United States announced that they had reached a peace agreement – The United Arab Emirates are the wealthiest of the Arab Nations – This is a BIG deal!

Both the Jews and the Arabs claim Abraham as their father. Where the split comes in is Ishmael and Isaac. This is what happens when we become anxious and try to force an outcome with regard to the purpose of God.

On September 15, 2020 the leaders of Israel, the United Arab Emirates, and Bahrain signed this Historic agreement. **(PUT UP PICTURE OF THE SIGNING OF THE AGREEMENT)**

Almost no one thought this peace agreement was possible. However, in 1993 Shimon Perez

wrote a book called “*The New Middle East*”, in which he describes a very similar situation.

What brought this about? Jared Kushner (Trump’s son-in law) has been working on a Mideast peace agreement for almost 4 years.

On August 31, 2020 an historic flight was taken from Tel Aviv to Dubai with Jared Kushner aboard along with high level governmental officials from Israel and The United Arab Emirates aboard. Guess what? The only word on the exterior of the plane was PEACE (**PUT UP A PICTURE OF THE PLANE WITH THE WORDING VERY VISIBLE**) and it was written in Aramaic, Hebrew and English. This was the first such flight in more than 70 years! Today that flight can be booked for less than \$400.

In October 2020 Saudi Arabia opened their airspace to Israel. Israel can now fly freely through Saudi skies.

WHAT SET THE TABLE FOR THIS AGREEMENT?

- The Arab world has become increasingly unsettled with the behavior of the radicalized Palestinians.
- President Trump's first international trip as President was to Israel in 2017 where he met with 55 leaders, where he said, "*We will stand with Israel.*" Then he backed up his words by moving the American Embassy from Tel Aviv to Jerusalem.
- President Trumps withdraw from the Iranian deal has contributed greatly to this peace accord – Iran has spent the \$150 million plus dollars given to them by the Obama/Biden administration on Hamas, Hezbollah, and other terrorist organizations. Iran is now teetering on financial collapse. Since the signing of this peace deal Iran has been firing missiles to show their displeasure, and making their neighbors feel uncomfortable.

- The flow of money from Iran to terrorist organizations is evaporating as a result of the end of the Iranian deal, and the lack of funds to give to the terrorists.
- President Trump authorized the killing of some of the worst terrorist leaders in the world including Solemani.
- President Trump opened up new oil fields in the U.S. and eliminated restrictions on fracking and drilling, which has caused the United States to become less and less dependent on Mideast oil sources. This has resulted in hundreds of millions of dollars in lost revenue to the bad actors in the middle east.

HOW DID THIS ESCAPE MEDIA ATTENTION?

How did a deal this big escape media attention until it was announced on August 13, 2020? I submit to you that Russian collusion, impeachment, and finally Covid 19, provided

the necessary cover for this surprise announcement.

(PLACE A PICTURE OF THE CITY HALL IN TEL-AVIV BEING LIT WITH THE COLORS OF THE UAE AND ISRAELI FLAG ON AUGUST 13, 2020)

WHAT IS THE BENEFIT TO ISRAEL IN THIS AGREEMENT?

- Israel will now have diplomatic and economic relations, with a very rich country who has historically refused to recognize them as a nation. They will also be able to access other markets in the Gulf that they have previously been shut out of.

- Israel will now be in partnership with the most advanced Arab country on the earth – the UAE.
- This will bring immense pressure on the Palestinian Authority, the Muslim Brotherhood, Hamas, and Hezbollah to come to the table to seek peace.
- An Israeli flag will fly in a third Arab country because of the diplomatic relations between the two nations. An Israeli flag already flies in Egypt and Jordan. (By the way, Oman, and Saudi Arabia have signaled that they would possibly be signing onto the deal)

WHAT IS ISRAEL GIVING UP WITH THIS AGREEMENT?

- Israel will end their expansion of the West Bank. (PLACE PICTURE OF WEST BANK ON SCREEN – BRITANNICA.COM) President Trump said, and I quote *“Israel and the United Arab Emirates will establish full*

normalization of relations and Israel will forgo declaring sovereignty over the occupied West Bank. ”

- Since 1967 more than 391,000 Israelis have settled in this area, plus another 201,000 have settled in East Jerusalem. **(PLACE PICTURES OF ISRAELI SETTLEMENTS IN THE WEST BANK ON THE SCREEN)**
- The West Bank is a hot spot being occupied by Jews, Sunnis, Samaritans and Christians.
- Israel will allow Arab settlements inside Jerusalem.

WHAT WILL THE UAE GET FROM THIS AGREEMENT?

- The UAE will have access to Israel's advanced technology from agriculture to military.
- They will have the cooperation of the Israeli military to defend themselves against those who wish them harm.
- It will benefit from trade with Israel.

- It will benefit from Israel's enormous tourism industry.
- They will be able to now collaborate on medical treatment and breakthroughs for such things as Corona Virus and other things.
- They will no doubt leverage the military might of the United States and Israel to counter the bad intentions and outrageous behavior of their neighbor, Iran. This accord makes UAE much safer than it has been in the past.

WHO WILL OPPOSE THIS AGREEMENT?

- The radicalized Palestinians – This accord surrenders nothing to the Palestinians, and allows a major influencer in the Middle East to make peace with their enemy/neighbor, Israel.
- Iran – This agreement brings the military might of the United States and Israel just miles from the border of Iran – They are just

across the Persian Gulf! (I will talk about this later)

- Hamas, Hezbollah, and the Muslim Brotherhood – This deal will reduce their effectiveness in the radicalization of the Arab states. It also limits their cause in Palestine and makes Jerusalem much more unlikely as a target for their radical agenda.
- Turkey – Turkey will oppose this deal as businesses who have previously worked with Turkey, will now most likely move their business interest to the UAE.

WHAT DOES THE ABRAHAM ACCORD MEAN AS IT RELATES TO BIBLE PROPHECY?

- **(PLACE FLAG OF UNITED ARAB EMIRATES ON SCREEN AND LEAVE IT THERE UNTIL NEXT PICTURE)** Notice this flag is red, black, white and green.
- Revelation 6 – The four horses of the Apocalypse (During the Tribulation) – In this chapter, the Lord Jesus opens the first

four of seven seals. Those who carry the seals ride out on white, red, black and pale (Green) horses. Zechariah described them as ***“The ones whom the Lord has sent to patrol the earth.”*** Ezekiel lists them as ***“Sword, famine, wild beasts and plagues.”***

- 1) The first horseman is on a white horse, carrying a bow, and given a crown, riding forward as a figure of conquest, invoking pestilence.
- 2) The second horseman rides a red horse and carries a sword. This horseman creates war.
- 3) The third horseman is a food merchant and rides a black horse. This symbolizes famine. This horseman does great damage to the food supply.
- 4) The fourth horseman comes riding a pale green horse and symbolizes death and hades. Revelation 6:8 ***“Power was given to them over a fourth of the earth, to kill with sword, with hunger, with death, and by the beasts of the earth.”***

- When Antichrist comes he will propose a peace agreement that will include the Muslims and Jews sharing the Temple Mount – (Talk about the tenor on the Temple Mount today) – The Temple Mount is a most historic place – It is the most contested, prophetically important 40 acre tract of land on the earth – The Trump peace agreement say's and I quote, *“All people should be able to pray and worship on the Temple Mount.”* (PLACE A PICTURE OF THE TEMPLE MOUNT ON THE SCREEN) This is where Abraham offered Isaac – This is where David offered a sacrifice for a plague to be stayed from Israel – This is the site of Solomon's Temple as well as the location of the building of the second Temple. This will be the site of the building of a third temple during the Great Tribulation.
- The peace agreement of the Antichrist will allow the Jews to reinstitute sacrificial worship on the Temple Mount. This will

mean that the Muslims will have to share the Temple Mount with Israel. After thousands of years, Arabs and Jews, Muslims and Christians will no longer see each other as enemies, but as long-lost cousins.

Abrahamic Houses are popping up around the world. The UAE just announced the construction of an Abrahamic House. An Abrahamic House is a facility where Muslims, Jews and Christians live, work, and worship together under one roof.
(Crislam)

- The UAE has huge oil and natural gas reserves. Dubai is a major city known as THE commercial center in the area. **(PUT A PICTURE OF THE STRAIT OF HORMUZ ON THE SCREEN)** UAE borders Saudi Arabia, and if you google the distance between Dubai and Teheran you will get an answer of 750 miles, but the truth is that the distance between The United Arab Emirates and Iran is only 21 miles across the Strait of

Hormuz. The UAE is terrified with the intentions of their horrific neighbors, Iran. Therefore, they have come to the table to seek the support of the two greatest militaries on the face of the earth – The United States and Israel.

- This Abraham Accord between Israel and UAE must send shivers down the spine of Iran. This means both Israel and the United States could very well establish military installations inside the UAE. The UAE needs the military strength of the US and Israel, to make sure their neighbors mind their manners. Iran is a threat to the UAE as well as everyone else in the region.
- This accord and what will follow (Other Arab nations signing on), sets the stage for the Antichrists peace accord with Israel and the world.
- I believe the Abraham Accords set the table for the peace agreement that will be introduced by the Antichrist. The agreement of the Antichrist will only hold for three-

and-one-half years. At the three-and-one-half year point of the tribulation the Antichrist will go back on his agreement with Israel and all hell will break out on the earth.

I BELIEVE THE ANTICHRIST IS ALIVE RIGHT NOW! BUT IT IS FOR SURE THAT THE SPIRIT OF ANTICHRIST IS CURRENTLY ALIVE AND WELL IN THE WORLD!

American streets and American cities today resemble the chaotic scenes from middle eastern countries from the past. (Seattle – Portland – Minneapolis – Chicago – Louisville) Violence, destruction, hatred etc... 2 Timothy 3:1-6 (NKJV) *“But know this, that in the last days perilous times will come: ² For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, ³ unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, ⁴ traitors, headstrong,*

haughty, lovers of pleasure rather than lovers of God, ⁵ having a form of godliness but denying its power. And from such people turn away!” This is a list of 18 characteristics of the Antichrist that will be manifesting themselves in the world just prior to the coming of the Lord.

WHERE ARE WE ON GOD’S PROPHETIC TIME CLOCK? (PLACE ALL PICTURES ON THE SCREEN AT ONCE, AND LEAVE THEM ON THE SCREEN FOR THE REMAINDER OF THE SERVICE)

We are on the precipice of the coming of the Lord (The rapture).

On August 20, 2020 at around 9:00 PM Susan and I were driving west on I-40 in Central Arkansas and we realized the Moon was being darkened and it eventually went completely dark. The night was a clear night, with no cloud cover, yet, the night sky went completely dark. It was so alarming to us that we immediately

began to research what was going on and this is what we found! This phenomenon is called a *Waxing crescent*.

The moon becoming dark represents hidden dark desires, occultism, psychic power, as in drawing the moon down. Ezekiel 32:7 (NKJV) ***“When I put out your light, I will cover the heavens, and make its stars dark; I will cover the sun with a cloud, and the moon shall not give her light.”***

This event marks the rise of false prophets and false prophecy. The darkness is synonymous with Satan as a ruler of darkness and the one who rules the night. A crescent moon that is disappearing represents growing or declining power. This represents hidden desires or dark personalities coming to the surface, or that are dying. It also represents the negative influence of a religious spirit, or partial seeing or understanding.

VERY INTERESTING: At exactly the same time as the light was going out of the moon, Pete Buttigieg stepped to the microphone to deliver his address to the 2020 Democratic National Convention. While Joe Biden was in the middle of his acceptance speech, as the Democratic candidate for President, the moon went completely dark. During Biden's speech he said, "*We can and will overcome this season of darkness.*"

I believe this *waxing crescent* was a warning that God is giving us the opportunity and insight of how to pray, and how to vote!!! God is not happy with the United States of America and unless America turns her heart back to God and restores morality and Biblical values, He will "*Put our light out.*" 2 Chronicles 7:14 "*If My people who are called by My name will will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.*"

1 Thessalonians 4:16-18 (NKJV) *“For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. ¹⁷ Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. ¹⁸ Therefore comfort one another with these words.”*

1 Corinthians 15:51-54 (NKJV) *“I tell you a mystery: We shall not all sleep, but we shall all be changed— ⁵² in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed. ⁵³ For this corruptible must put on incorruption, and this mortal must put on immortality. ⁵⁴ So when this corruptible has put on incorruption, and this mortal has put on immortality, then*

shall be brought to pass the saying that is written: “Death is swallowed up in victory.”
