

MY CHURCH IS A BIG DEAL

TEXT: 2 Chronicles 6 (Solomons
Dedicatory prayer for the newly constructed
Temple)

INTRO: The setting of the sixth chapter of
2 Chronicles is as follows:

- Solomon had built a house for God...
- The construction of the Temple had been completed...
- The Temple had been furnished according to the instructions of the Lord through Moses...
- The people had gathered for the dedication of this historic structure...
- Solomon spoke to the people outlining how the building had come about...
(You have spoken with your mouth and performed it with your hand)
- Solomon reminded God of His promises to His people and staked a claim for those promises...

Solomon then laid out what He wanted Gods attitude, but more importantly the attitude of the people to be, concerning the prayers of the people regarding the human condition.

It is my belief that the prayer of Solomon should be the attitude of the church. We must remember, the attitude with which we approach life and approach people, will make an impact upon the lives of those who have never been born again, and those who have broken fellowship with God and/or the church.

THIS CHURCH WILL BECOME A BIG DEAL IF IT IS A PLACE OF FORGIVENESS

2 Chronicles 6:21 (NKJV) *“May You hear the supplications of Your servant and of Your people Israel, when they pray toward this place. Hear from heaven Your dwelling place, and when You hear,*

forgive.”

Solomon’s request was that God, and the people, would be quick to forgive sinners, and one another, and, that the Temple would always be a place of forgiveness.

Certainly, God is a God of forgiveness. Therefore, the church should be a place of forgiveness. Sadly, the Church is often a place of penance rather than a place of forgiveness. The horrible policy of the organized church is to kill its wounded. It is sometimes a place where peoples history is meticulously maintained:

- That is Bob the boozier...
- That is Dan the drunk...
- That is Andy the addict...
- That is Sally, the home wrecker...
- That is Frances the fornicator...
- That is Chris and Christy, the people who had their children out of wedlock...

That cannot, will not be the modus operandi of Community Transformation Church!

When people come to Christ, we must forgive them and assist them in forgiving themselves. The church has almost put the devil out of his own business – His business is that he is an accuser of everyone:

- He accuses us to God – Job
- He accuses us to others – Gossip
- He accuses us to ourselves – Self condemnation – low self-esteem – Under performance – Oblivious to purpose and destiny

Psalm 103:12 (NKJV) *“As far as the east is from the west, So far has He removed our transgressions from us.”*

**THIS CHURCH WILL BE A BIG DEAL
IF IT IS A PLACE OF MERCY**

2 Chronicles 6:22-23 (NKJV) *“If anyone sins against his neighbor, and is forced to take an oath, and comes and takes an oath*

before Your altar in this temple, 23 then hear from heaven, and act, and judge Your servants, bringing retribution on the wicked by bringing his way on his own head, and justifying the righteous by giving him according to his righteousness.”

Solomon was saying his church was a big deal because it was a place of mercy! His prayer is that...

- If someone has taken an oath, they cannot live up to... Let this be a house of mercy!
- If anyone sins against his neighbor... Let this be a house of mercy!
- If anyone misses the mark... Let this be a house of mercy!
- In retribution... Let this be a house of mercy! Retribution = *“A form of punishment or payback that is considered morally right and deserved in response to wrongdoing or harm.”*

(Chat GPT 08/01/25) King David

committed adultery, Fathered an illegitimate child, and murdered a man, yet God never sat him down from the throne! HOWEVER, he reaped the negative consequences of his actions for a lifetime!

We are ok with having God's mercy meter reset in our lives every day, but how willing are we to push the reset button for others?

If we are going to reach people, this must be a house of mercy!

May this church be a big deal because it is a place marked by mercy!

Conclusion:

Community Transformation is and will always be, a big deal because:

- We will accept you where you are...
- We will accept you as you are...
- We will forgive you...

- We will help you know how to forgive yourself...
- We will help you redeem your past...
- We will help you find your purpose...
- We will help you step into your destiny...

We will:

- Crawl with you if you need to crawl...
- We will walk with you if you need to walk...
- We will run with you if you can run...

Warning: If you stop, we are moving on!

**THIS CHURCH WILL BE A BIG DEAL
IF IT IS A PLACE OF RESTORATION**

2 Chronicles 6:24-25 (NKJV) *“If Your people Israel are defeated before an enemy because they have sinned against You, and return and confess Your name, and pray and make supplication before You in this temple, 25 then hear from heaven and forgive the sin of Your people Israel, and bring them back to the land which You gave to them and their fathers.”*

Solomon was asking God to cause the Temple to always be a place of restoration. He wanted the Temple default to be restoration.

It is one thing to have mercy and forgive; it is another matter to dirty our hands in the process of restoration! Restoration is both an attitude and an activity.

Solomon said:

- When they sin... Restore them!
- When they are defeated... Restore them!
- When they are taken captive... Restore them!
- When they cry out to you... Restore them!

The constant state of God's activity is rescue!

There are those out there who have sinned against God, you, and this church. If we are going to reach them, we must start here and now to be people of restoration who build a house of restoration!

Let me ask you a question for you to answer mentally. What is the name of the person that if they come to, or back to this church, would make you quit this church?

Don't forget... ***“All have sinned and come short of the glory of God.”***

CT Church will be a big deal if it is a place of restoration!

**THIS CHURCH WILL BE A BIG DEAL
IF IT IS A PLACE OF HARVEST AND
PROSPERITY**

2 Chronicles 6:26-27 (NKJV) *“When the heavens are shut up and there is no rain because they have sinned against You, when they pray toward this place and confess Your name, and turn from their sin because You afflict them, 27 then hear in heaven, and forgive the sin of Your servants, Your people Israel, that You may teach them the good way in which they should walk; and send rain on Your land which You have given to Your people as an inheritance.”*

Solomon recognized that the result of the sins of the people manifests itself by dragging them down into an impoverished condition. Despite this, he asked God, when

the people pray in or toward the Temple that the house of the Lord would produce harvest and eventually prosperity! He wanted the Temple to be the one place that was a big deal because it was a place of harvest and prosperity! Listen to his prayer...

- When they sin against you... Turn them toward the house of harvest and prosperity!
- When the Heavens are shut up... Turn them toward the house of harvest and prosperity!
- When they are impoverished... Turn them toward the house of harvest and prosperity!
- When they have no food... Turn them toward the house of harvest and prosperity!

Do you know anyone who is broke, busted, and disgusted? Bring them to this house of harvest and prosperity! This church should be a big deal because it is a place of harvest

and prosperity!

I believe the promise made in Malachi of such blessing that “***There shall not be room enough to receive it***” is a corporate blessing to the church who walks in lockstep to a vision, with each person doing his/her part... Including and especially tithing!

The church cannot be a place of harvest and prosperity unless and until each of its members is pulling their own weight by tithing!

May CT Church be a big deal because it is a place of harvest and prosperity!

**THIS CHURCH WILL BE A BIG DEAL
IF IT IS A PLACE OF PROTECTION**

2 Chronicles 6:28-30 (NKJV) “***When there is famine in the land, pestilence or blight or mildew, locusts or grasshoppers; when their enemies besiege them in the land of***

their cities; whatever plague or whatever sickness there is; 29 whatever prayer, whatever supplication is made by anyone, or by all Your people Israel, when each one knows his own burden and his own grief, and spreads out his hands to this temple: 30 then hear from heaven Your dwelling place, and forgive, and give to everyone according to all his ways, whose heart You know (for You alone know the hearts of the sons of men).”

Solomon prayed that the Temple would be a big deal because it was a place of protection. Listen to how he prays...

- When there is famine in the land... May the Temple be a safe zone!
- When the people are overwhelmed by sickness... May the Temple be a safe zone!
- When plagues overrun the land... May the Temple be a safe zone!
- When there is terror on every side...

May the Temple be a safe zone!

My prayer is that CT Church will be a big deal because it is a place of protection from a hostile, hateful world! A place where people know they have entered a safe zone! A place where we have each other's backs! If you take one of us on, you will have to deal with all of us!

**THIS CHURCH WILL BE A BIG DEAL
IF IT IS A PLACE OF VICTORY**

2 Chronicles 6:34-35 (NKJV) *“When Your people go out to battle against their enemies, wherever You send them, and when they pray to You toward this city which You have chosen and the temple which I have built for Your name, 35 then hear from heaven their prayer and their supplication, and maintain their cause.”*

Solomon is requesting that God would cause the Temple to be a big deal because it was a

place of victory. Listen closely to his prayer...

- When they go to battle... May they have an attitude of victory!
- When they stand before their enemies... May they have an attitude of victory!
- When you send them out... May they have an attitude of victory!
- When you bring them in... May they have an attitude of victory!
- When they pray toward this place... May you give them victory!

Listen to this, 2 Chronicles 6:35 “... *hear from heaven their prayer and their supplication, and maintain their cause.*”

The word maintain here is ‘asah (aw-saw) meaning to do or to make. Solomon is praying that when the people have repented and petitioned the Lord that He will do or make their cause successful. That sounds like victory to me!

If we are going to win people and change the culture, we must have an attitude of victory. We have been defeated long enough! It is time we started walking in victory. Before we see the victory, we must develop an attitude of victory!

May we be people who exemplify an attitude of victory! May this church be a big deal because it is a place of victory!

CONCLUSION:

Solomon made all these requests and did all this praying. What was God's response to Solomon's prayers? 2 Chronicles 7:14 (NKJV) *"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."*

BUILDING DEDICATION

Today we come to an historic moment in the life of Community Transformation Church, Paris Arkansas. We find ourselves now at the moment where we are going to dedicate the newly renovated (transformed might be a better word) facilities that the Lord has provided for us to do His work in Logan County Arkansas, and beyond. Make no mistake about it, buildings are not our goal, buildings and facilities are tools that we will utilize in evangelizing the lost, and discipling the found.

It is to this end that we come today to acknowledge what the Lord and His people have partnered together to do for the furtherance of His Kingdom.

I want to say a BIG THANK YOU to the Pastors of this congregation, Keith & Crystal Bullock as well as their entire family

who have made enormous efforts and sacrifices to get us to this day. I also want to say thank you to everyone who labored and gave sacrificially to make this day possible. Another thank you is in order, and that is to the Official Board of Community Transformation Church for their visionary leadership that cleared the way for this day to become a reality. (Introduce the Board)

We get our pattern for dedicating church facilities from Moses dedication of the Old Testament Tabernacle and Solomons dedication of the Temple.

After each statement that I make, I would like all who agree with the statement, to respond with, “This we do in the name of the Father, and the Son, and the Holy Ghost.”

- Lord, we come to you today with thanksgiving for the opportunity to play

some small part in your Kingdom work...

- We thank you for our brothers and sisters who have become a part of this body of believers...
- We thank you for the resources you have made available to us to be able to make this day possible...
- We commit all future resources to you for you to bless them with the spirit of multiplication...
- We dedicate this property to you for the furtherance of Your Kingdom...
- We dedicate these facilities to you as a tool in your hands to bring life change into the lives of those who will grace this house in the days to come...
- We pronounce the blessing, favor, and glory of the Lord to inhabit this property and this house...

- We declare that every person who comes into proximity to this place will be touched and changed by the Power of God...
- We commit to the task of bringing Heaven to Logan County and beyond from this place...
- We commit to walking in unity with our church leadership and our brothers and sisters in the Lord...
- We surrender our gifts to you and to this church to see Your Kingdom come...
- We call forth all resources necessary to accomplish Your will...
