

PRAYER OF PROTECTION AND PROVISION

I apply the Blood of Jesus to my family: (call the name of all family members). I also apply Your Blood to everything that belongs to us. I pray the Blood will destroy everything unlike itself in our lives today.

I pray that you would bless us indeed, enlarge our territory, and our lives will bring no pain to you or others. Protect us and provide for us, make a way where there seems to be no way in our lives. I ask that You help us to walk in our identity and live out our purpose. May not one thing You have assigned to us, go undone.

I pray that my family circle will be unbroken in heaven, not one of my descendants will perish – ever! In Jesus name, Amen
