

You li-hif-t me up, wh-en I'm down
You se-het me free wh-en I'm bound
You're the one on whom I depend
Theres none like you, no not one
For you are God's begotten son
Pr-ec-ious Lord, Your Grace A-may-hay-sis me.

I on-ce was l-ost, but now I'm found
You set my feet on high-er ground
I was blind, and could not go on
You came along and made a way
Through the night and through the day
Pr-ec-ious Lord your Grace A-may-hay-sis me

When I was bound by chains of sin
Dear Lord you came and took me in
And now, I am free, in-dee-d
You touched my heart, you changed my life
And now I'm free from all strife
Precious Lord your grace amazes me

And now I'm free from sins dark reign
Yes my life is free from pain
So I'll serve you from now on
I'll do your will, whatere the cost
I'll do my best to reach the lost
Because your grace amazes me
